100 CLUB

Our Heart Heroes 100 Club has been invaluable to us this year so we will be running it again for 2020. If you already have a 100 Club number and would like to keep it for 2020 please contact us. We will then contact you with our bank details for you to make your £10 payment. This £10 will enter you into the draw every month starting In January through to December 2020. First prize will win £25 and Second prize is a bottle of wine.

If you don't have a 100 Club number but would like one, please contact us and we will allocate you a number.

The money raised from this Club goes directly to help the heart children and their families.

There are still 2 draws left for 2019 so good luck everyone!

PATRON NEWS

Heart Heroes is beyond excited to announce... we have our first Patron, 'The Abilities In Me' children's book series author, Gemma Keir. As a Heart Parent Gemma totally understands family life with a heart child. 'The Abilities In Me' series celebrates what the children can do, not what they can't do, which is absolutely Heart Heroes mantra.

What is a patron?

A patron is someone who agrees to lend their name to your organisation as a way of supporting you.

What is the purpose of having a patron?

A Patron can help you get noticed, add prestige or lend credibility to your cause. Ideally all of the positive attributes of your patron will rub off on your organisation.

Gemma's son has a heart condition, 22q, global development delay, speech delay, hypermobility, bowel issues, kidney problems and a hypoplastic odontoid peg. Logan is a SUPER 'Heart Hero'. We are all looking forward to working with Gemma and her family ♥

SUCCESS

The Christmas Fair was a huge success and we had great feedback. Thank you to Nikki Glover & Chris Lewis for organising, stall holders, those that attended on the evening and those that bought raffle tickets. Thank you to Hot Tub/Party Tents Rock for sponsoring the event. Also thanks to Dean Radio for the support and interview.
